Email:ssajal1998@gmail.com

## Skills

---

LANGUAGES  
C/C++, Python, R-Language

DATABASES  
MySQL

## Coursework

---

Natural language programming  
Descriptive and Inferential Statistics  
Machine Learning  
Data Mining  
Bioinformatics  
Time Series Forecasting

## Education

---

2019-2021  
M.SC.-COMPUTER SCIENCE WITH BIG DATA ANALYTICS  
Central University of Rajasthan ,Jaipur

2016-2019  
B.SC.-MATHEMATICS  
Banasthali Vidyapith, Rajasthan  
CGPA: 7.5

2015-2016  
INTERMEDIATE  
Arvind Educational Society, Bharatpur,  
Rajasthan  
Board: RBSE  
Percentage: 75%

## Projects

---

### SEPTEMBER-2020 Retail Sector Forecast

Interesting insights were found about the sales in different phase of year. Sales prediction of a retail store using deep learning, machine learning and time series models.

### MARCH-2020 Fake Job Description Prediction

Cleaning of the data, work on Text data using Natural Language Processing concepts and finally applying machine learning classification algorithms and analysing the result by accuracy.

### MARCH-2019 Academic Project:Impact of Digital Technology on students

By forming a questionnaire, conducting a survey, working on the data collected and finally analysing the result using different statistical tools.

## Certificates

---

COURSERA Machine Learning

COURSERA Python for data Science and AI

COURSERA Introduction to Data Science in python

NPTEL Introduction to R-software
